Title: A message for Darkwind

Author: Stilgar

-----

Darkwind,  
in the course of my  
studies I have come to  
the conclusion that  
some items and  
reagents, when  
combined with new  
rituals and power  
words, can release a  
great and evil power.

To continue my  
studies I need some of  
these items.

The time has come,  
my apprentice, to  
show your skills and  
mastery of the art: I  
am sending you to a  
quest.

Fine and gather the  
following items:

- a bone
- dead wood
- executioner's cap
- fertile dirt
- vials of blood
- blackmoor

I have no doubt that  
you will succeed in  
your quest.

I am intigued about  
your findings. I shall  
of course search for  
the named items, and  
bring them to you as

would be interested to  
also hear of your  
findings, when i

Faithfully,  
Your apprentice
